

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re patent application of:)
 Said Mansour et al.)
 Serial No. 09/744,793)
 I.A. Filing Date: 30 July 1999)
 LOW TEMPERATURE OXYGEN GAS SENSOR)

I hereby certify that this correspondence is
 being deposited with the United States
 Postal Service as first class mail in an
 envelope addressed to the Assistant
 Commissioner for Patents, Washington,
 D.C. 20231 on

January 16 2002
 (Date of Deposit)

James B. Myers Jr.

Name of Registered Representative

 Date of Signature

INFORMATION DISCLOSURE STATEMENT

Hon. Commissioner for Patents
 Washington, D.C. 20231

Sir:

Submitted herewith on the attached Information Disclosure Citation form is a list of documents of which Applicants are aware which they believe may be material to the examination of this application, and in respect of which there may be a duty to disclose in accordance with 37 C.F.R. §1.56. Copies are not enclosed, in accordance with 37 C.F.R. §1.98(d), since they were previously cited by the Office in prior application PCT/US99/17422, which is relied upon for an earlier filing date. However, if it would assist the Examiner to have separate copies of the listed references for this application, Applicants will be happy to supply such copies upon request.

This Statement is being submitted before the first Office Action on the merits, and, therefore, it is believed that no fee is due. Should any fee be required, however, please charge such fee to Deposit Account No. 23-3030, but not to include the payment of issue fees which are or may become due.

Respectfully submitted,

By: James B. Myers Jr.
